MEET THE FOOTBALL COACHES

ROLAND BELL HEAD COACH

I started with Southern Prep in August 2018 after learning about the school from a friend, who was also a previous head football coach. After a visit, I knew this was the place for me. I retired from public school and began my journey of teaching biology and coaching.

MATTHEW KELLY OFFENSIVE COORDINATOR

I am currently in my second stint here at Southern Prep, where I am serving as both a football and basketball coach in addition to teaching history. I returned to the academy after Coach Bell reached out to me about returning.

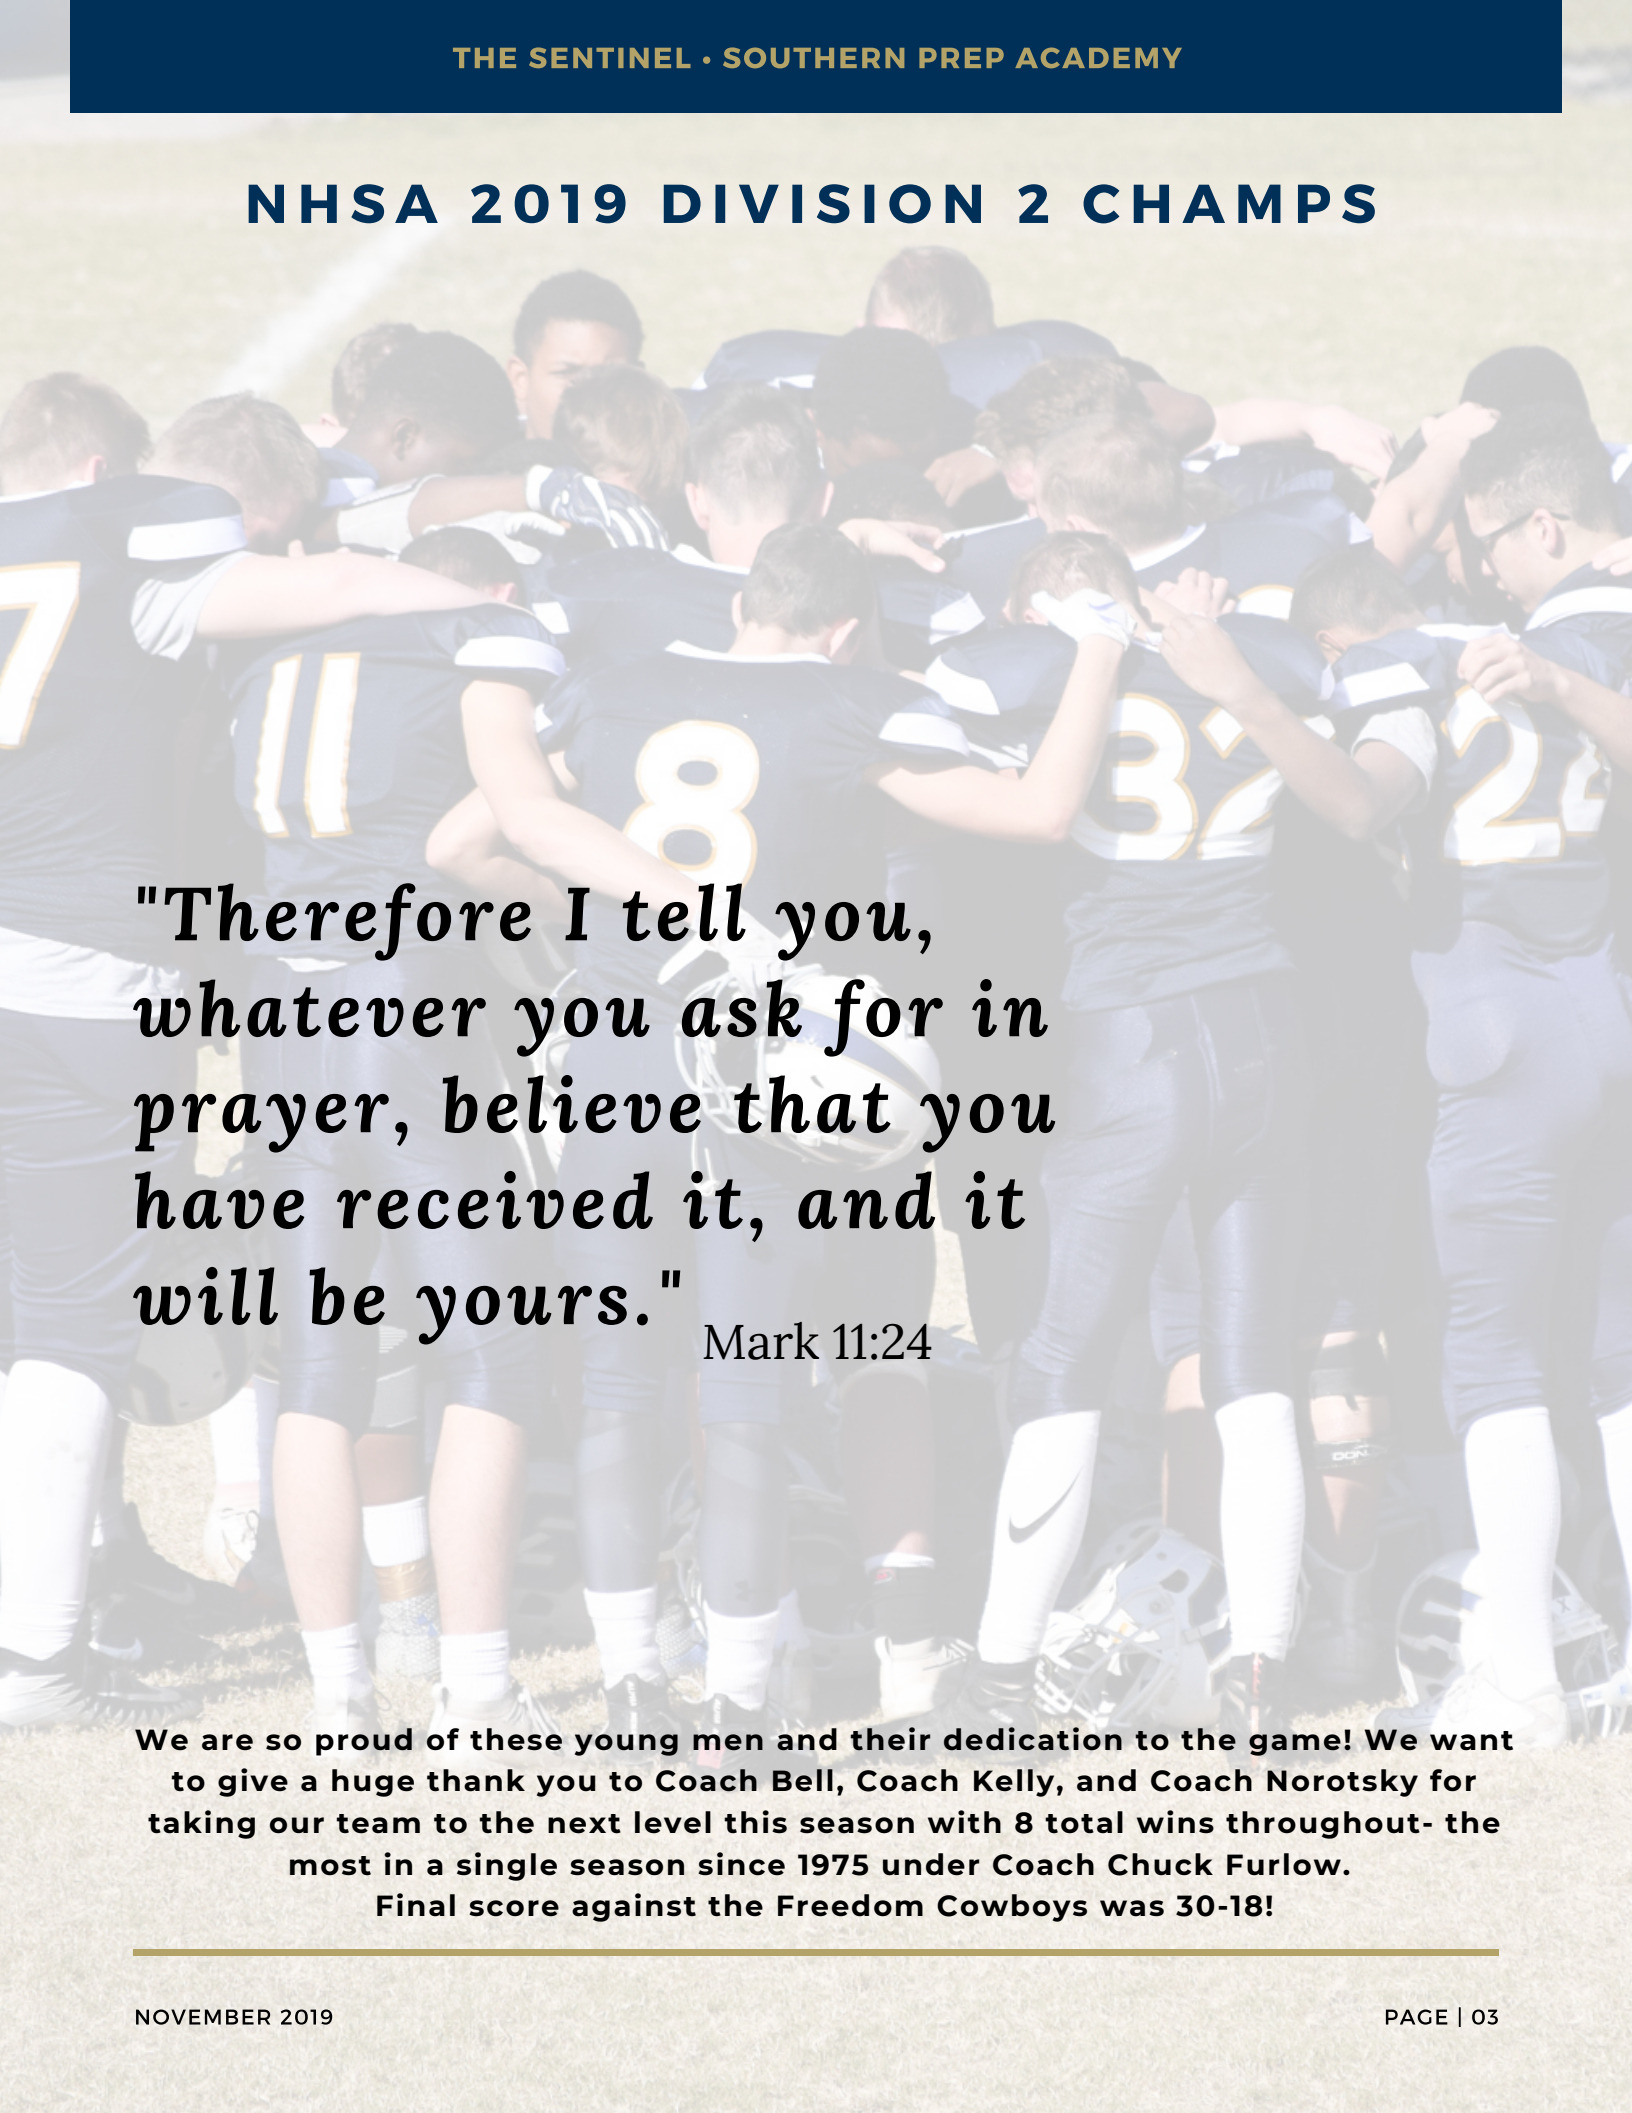

JAKE NOROTSKY DEFENSIVE COORDINATOR

I am a retired US Army Veteran after 14 years. I served 5 overseas tours, 2 combat tours, and was a Blackhawk helicopter crew chief with 2,000 flight hours. My path led me to Southern Prep in June of 2017. During my time here, I helped initiate our aviation program, including the world's only un-automated drone demonstration team.

NHSA 2019 DIVISION 2 CHAMPS

whatever you ask for in
prayer, believe that you
have received it, and it
will be yours."*

Mark 11:24

We are so proud of these young men and their dedication to the game! We want to give a huge thank you to Coach Bell, Coach Kelly, and Coach Norotsky for taking our team to the next level this season with 8 total wins throughout- the most in a single season since 1975 under Coach Chuck Furlow.

Final score against the Freedom Cowboys was 30-18!

STAR STUDENT

CADET TRISTEN ELLIS

BRAVO COMPANY

Tristen Ellis started with Southern Prep towards the end of October. In the span of a month, Cadet Ellis has fully bought in the program here at Southern Prep. He dominated the football field during the tournament (his first time playing as a Fighting Ranger) and is one of the first two students enrolled in a virtual reality course.

BECCA NELSON

As we continue to promote Southern Prep, we are asking all members of the Ranger family to rate/review us on several different online sites: Google, Facebook, Niche.com, etc.

Alumni: We currently do not have any reviews on Boarding School Review as the site only allows alums to review. This is a big site in which we have had several leads come in lately, yet we have no reviews. Having multiple positive reviews will amp our presence on the site. Please take a few minutes to submit a review by clicking [here](#).

We ask that in your reviews/comments to please refer to the school as Southern Prep/Southern Preparatory Academy, as any references to LWMA/Lyman Ward will not be accepted by the website since it is not listed under that name.
