Financial Obligation- The cost of operating the Academy must be budgeted on an annual basis. For this reason, cadets are accepted for the entire school year, and upon entrance, a valid and binding contract is in force for the entire school year. Additionally, because the Academy's budget is tuition-driven, payments are required in a timely fashion. Any payment not received in the Academy's office or through FACTS by the date due, will be charged a \$30.00 late fee. As stated in the contract, should any amount become delinquent, grades and transcripts will be held until the account is settled. Delinquent accounts may be forwarded to an outside agency for collection. Failure to make payments by the due date may result in a cadet's removal from the school.

****Note: All fees are in USD.**
