## TUITION CONTINUED

**TUITION** - This fee covers instruction, room and board, and a \$300 technology fee that will cover the costs associated with the rental of a school-owned Chromebook, wireless internet, and other technological devices. It does not include spending money, special medical care beyond the facilities of the infirmary, driver's education, flying lessons, airport transportation, or willful destruction of property. Parents are billed on a monthly basis for extra charges incurred.

**FINANCIAL OBLIGATION** - The cost of operating the Academy must be budgeted on an annual basis. For this reason, cadets are accepted the entire school year, and upon entrance a valid and binding contract is enforced for the entire school year.

Additionally, because the Academy's budget is tuition-driven, payments are required in a timely fashion. A \$30.00 late fee will be assessed for any payment not received by the Academy's business office or through FACTS, by its due date. As stated in the contract, should any amount become delinquent, grades and transcripts will be held until the account is settled. Delinquent accounts may be forwarded to an outside agency for collection. Failure to make payments by the due date may result in a cadet's separation from the Academy.

**LOAN PROGRAMS** - Tuition loan programs, such as Your Tuition Solution, assist many families in making tuition payments more affordable by providing the funds upfront and spreading the payments over a longer period of time. Other progressive lending options could be [LENDINGCLUB.com](http://LENDINGCLUB.com), [YOURTUITIONSOLUTION.COM](http://YOURTUITIONSOLUTION.COM), and [PROSPER.com](http://PROSPER.com). **THIRD-PARTY SCHOLARSHIPS** - There are several external scholarship opportunities for students from various military academies, offering a chance to alleviate tuition costs and enhance your experience at Southern Prep. Please visit our website for more information.
